

One and Only God

by Joey Walker

Who is this man, Jesus,
Sent down by God to free us?
I want to meet up with Him.

'Cause He has the power to save us.
He is the hope of nations.
I want to meet up with Him.

Chorus:

'Cause You are, You are the way,
Jesus.
You are, You are the truth, Jesus.
You are, You are the life, the one and
only God.

Who is this man, Jesus,
Sent down by God to free us?
I want to join up with You.

'Cause He has the power to save us.
He is the hope of nations.
I want to join up with You.

Chorus:

'Cause You are, You are the way,
Jesus.

You are, You are the truth, Jesus.
You are, You are the life, the one and
only God.

Bridge:

The one and only
The one and only
The one and only God.

Chorus:

You are, You are the way, Jesus.
You are, You are the truth, Jesus.
You are, You are the life, the one and
only God.
You are, You are the way, Jesus.
You are, You are the truth, Jesus.
You are, You are the life,
The one and only God.
The one and only God.
The one and only God.
The one and only God.
